**IN RE: 1313 MUSIAL RD.
PARCEL # 86-4-119-322-1205**

The Building and Zoning Department is in receipt of a request dated February 18, 2024 from Joseph Saenger, for the raising the existing residence and adding a partial second story at 1313 MUSIAL RD, VILLAGE OF TWIN LAKES. The Zoning Permit is denied in accordance with the following Twin Lakes Municipal Code Section(s):

17.20.030. C. Side Yard.

- 1. There shall be a side yard on each side of a principal structure,**
- 2. All principal structures shall have side yards of no less than ten (10) feet wide on each side. For lot widths greater than eighty (80) feet, the sum of the side yards must not be less than twenty-five (25) feet, and no side yard shall be less than ten (10) feet in width.**

The existing residence is located 3.2 feet from the west side lot line, and the proposed height increase and addition are within the required 10' minimum side yard setback.

The Board of Appeals has been established to hear those cases in which an individual or business has been aggrieved by any decision of the Twin Lakes Building Inspector. You may appeal this decision to the Board of Zoning Appeals of the Village of Twin Lakes within **twenty (20) days** from the date of this letter. Applications must be made in writing and conform to the requirements set forth in Chapter 17.40 of the Twin Lakes Municipal Code.

For a *Dimensional Variance*, unnecessary hardship exists when compliance would unreasonably prevent the owner from using the property for a permitted purpose or would render conformity with such restrictions unnecessarily burdensome. The Applicant must also demonstrate that the hardship relates to physical limitations unique to the Applicant's property and must show that the public interest will not be harmed, if a Variance is granted.

For a *Use Variance*, unnecessary hardship exists when compliance with the Municipal Zoning Code would leave the owner with no reasonable use of the property.

Please contact the Village Hall to receive a Board of Appeals Variance Packet, if you choose to request a hearing.

If you have any questions, contact me Thursday at the Twin Lakes Village Hall Building and Zoning Department (262) 977-7719, between the hours of 10:00 am and 1:00 pm.

Justification for the Request (Attach additional sheets if necessary)

APPEAL OF AN ADMINISTRATIVE DECISION: Provide a description of your appeal.

Village Official(s) who made the decision you are appealing: BONNIE SCHAEFFER

Decision of official(s): DENIED FOR 17,20,030 C. SIDE YARD

Describe your appeal: NEAREST EXISTING STRUCTURE IS OVER 35 FEET FROM MY PROPERTY LINE - I REQUEST A VARIANCE TO PICK THE HOUSE UP, PUT IN A FULL BASEMENT & ADD AN ADDITION TO MAIN HOUSE STRUCTURE FOR 2 BEDROOMS UP STAIRS

VARIANCE: State in the spaces below how your variance request conforms to the Three Standards Test as described in the attached Q&A document. Attach a separate sheet if necessary.

1) Unnecessary Hardship is present because... ADDING ON TO THE HOME'S 1ST FLOOR TO EXTEND THE FOOTPRINT WILL REQUIRE A COMPLETE TEAR DOWN, ADDITIONALLY THE HIGH WATER TABLE AS YOU MOVE CLOSER TO THE WATER MAKE FOUNDATION WORK MORE EXPENSIVE & CHALLENGING. STAYING WITHIN THE EXISTING FOOTPRINT OF THE BUILDING FOR THE SECOND STORY IS THE SAFEST, EASIEST, MOST COST EFFECTIVE ROUTE.

2) The hardship is due to unique features of the property in that... ROOMS ARE TOO SMALL FOR EVEN STANDARD APPLIANCES, EXAMPLE STOVE IS ONLY 24" BEDROOM 1 CAN ONLY FIT A TWIN BED, BEDROOM 2 FITS A FULL SIZE BED IF IT IS CORNERED. BECAUSE OF THE PLACEMENTS OF EXISTING STRUCTURES AT PRESENT IS OVER 35', AND IF I BUILD OUT THERE WOULD BE LESS PERVIOUS SOIL.

3) The variance will not be contrary to the public interest because... LOOKING AT THE DRAWINGS YOU CAN SEE I AM TRYING TO MAINTAIN THE COTTAGE LOOK OF THE NEIGHBORHOOD. I AM TRYING TO MAINTAIN AS MUCH PERVIOUS SOIL AS POSSIBLE TO KEEP ANY FLOODING TO A MINIMUM & THE WATER TABLE TO THE MAXIMUM. REMODELED HOUSE WOULD MEET OR EXCEED BUILDING CODES.

Signatures

The undersigned person(s) hereby give notice to the Village of Twin Lakes Board of Zoning Appeals, of an appeal and/or request for a variance and grant permission to inspect the property.

<Resident Name and Address>

The enclosed is a notice of a Board of Appeals meeting which is taking place on May 23, 2024 at 5:30pm, Twin Lakes Village Hall. This meeting is concerning a property that is within 400ft of your parcel. This meeting is open to the public. The parcel being discussed is 86-4-119-322-1200, 86-4-119-322-1205: Lots 2 and 3 of Carey's Lake View Park Subdivision.

Board of Appeals Information

Because those who draft a Zoning Ordinance cannot anticipate every land use question that will arise in a community, there needs to be some mechanism to give the Ordinance flexibility. The Board of Appeals authority to grant Variances serves this purpose. A Variance is a permission granted by the Board to build or develop in a way that is inconsistent with the dimensional standards contained in the Zoning Ordinances.

The Variance procedure allows the dimensional standards in an Ordinance to be varied in response to unusual circumstances, which constitute Unnecessary Hardship. A property owner who has been denied a building or development permit, and believes that special conditions unique to the property will cause unnecessary hardship if a Variance is not granted, may request a Variance. The petition for a Variance must be heard by a Board of Appeals at a Public Hearing.

In deciding a Variance request, the Board of Appeals acts as an agent of the local government, not the property owner. It is the Board of Appeals' duty to preserve the Zoning Ordinance without modification as far as possible, while ensuring substantial justice for the property owner.

Thank you for your time,
